As regards the information asked for by the Government of India under

Point (a) in p.no. :-

Paras (7) + (8) of the Address at s. no. 1(a) Flag A

Hajee Sir Ismail said provided funds only for the building of the hospital. He has not provided any endowment for its maintenance, while he asked Govt to undertake.

Hajee's Speech at the opening of the hospital. enclosure to s. no. 128 Flag E

Point (b) in p.no.

ride s. no. 47, 48 Flags B, C

para 5 of s. no. 52 D

s. nos. 212, 229 H, G

+ [illegible] F

So far as the papers in this office show there seems to have been no understanding prior to the construction of the hospital that it should be free as regards its general wards. On the other hand, the impression conveyed by the

may levied at a time when it could be done without prejudice to the popularity of the hospital.

But Hajee Sir Ismail Sait, in his letter of the 7th November last, has stated that when he was approached to construct the Hospital it was clearly understood that no fees were to be levied on the patients.

Point (c) in pue.

(330) The estimated expenditure on the maintenance of the general wards may be ascertained.

Draft submitted.

P.V. Krishnaswami.

11/29

(331) The Resident may kindly see this before the draft issues. It is regrettable that nothing has been clearly stated on paper in regard to the second point.

14/1

As at quite sure that nothing was specified about maintenance when the Hajee made his

the Jessie Hospital was also a free Charitable Hospital for the women of the (indeniably poor) Hindu Community. The private wards are, of course, different: but the persons using the General wards of the Hospital are all very poor.

We might ask him in writing whether he can refer us to any written stipulation as to the Hospital being free.

[As a matter of fact, these Hindu women are so poor that they would receive free treatment at the Lady Cuzon Hospital.]

In the meantime we can collect the information necessary to reply to the G. of I's 3rd Question.

J no 313 dated no. 20 M. Issued 1.3.29.

S.N.314 Letter No.2430/98, dated the 7th March, 1929, from the Residency Surgeon, Bangalore.

The previous correspondence and the notes on the subject will be found at (i) S.Ns.297 and 309, ante

(ii) paragraphs 326-338 ante, &

(iii) S.Ns. 310 and 311. ante.

The answer to the Government of India's first question in S.N.309 is in the negative.

As regards the second question, Hajee Sir Ismail Sait may be requested to expedite his reply to S.N.311. Draft submitted for approval.

Regarding question 3, the Residency Surgeon estimates the expenditure on the maintenance of the general wards at Rs 17,500/- per annum. Whether the revenues of the Assigned Tract can afford to meet this cost will be examined in the accounts branch, and a further note submitted.

15/3

Issue reminder as amended.

19.3.29

S.No.315 Issued: No 2739, dated 21-3-29

ikely to be paid by patients in these wards will not be more than a few annas a head in the case of those who are not of the poorest class. We suggests that the private wards be paying ones and that the general wards patients be requested, so far as their means allow, to put some contribution in the Hospital poor box.

The financial position of the Assigned Tract as shown by the Pro Forma Accounts for 1925-26, 1926-27 and 1927-28 is as given below:-

ceipts.	Expenditure	Surplus available after paying the amount due to the Mysore Government
	1927-28.	
5,41,320-6-0	Rs. 12,67,914-11-2	Rs. 98,415-6-4
	1926-27.	
15,67,105-12-2	" 12,52,727-8-3	" 1,14,048-14-9
	1925-26.	
17,22,081-0-1	" 12,52,987-3-9	" 1,52,533-0-3

It seems that the financial condition of the Assigned ract is good enough to bear the expenditure on the genera ards.

Submitted for orders.

V. Krishnaswamy

Secretary

Report on constructing Private Wards for Hajee Sir Ismail Sait Gosha Hospital and on Tasker Avenue. Bangalore.

The site of the proposed wards is on open ground to the East of the existing Hospital, the approach being from Park road as sho in accompanying site plan.

The building consists of two floors, the ground floor comprise

A central hall with a staircase leading to the upperstorey as shown in plan, the hall to be used as nurses duty room with bath rooms under staircase, four wards, two on either side of the hall with double rooms, kitchen verandah and bath rooms as shown in plan and two end rooms containing staircases gaining access to the wards of the upper storey. The space between the back of the central hall and the kitchen is to be left open to the sky.

The first floor comprises the same accommodation as the ground floor the only difference is in the hall which is to be a ward as shown on plan.

The walls of the hall and all verandah walls of wards in the ground floor will be constructed of stone in lime masonry and the rest of the building will be of brick in lime masonry and the whole will be lime plastered on both sides.

The hall, the two stair-case rooms in the first floor will be c brick in lime masonry, lime plastered on both sides and the rest of the building, brick in clay masonry lime plastered on both sides.

The complete building as shown on plan is estimated to cost Rs.41,586/- excluding supervision charges.
